

REMARKS

This Supplemental Preliminary Amendment is being filed to correct the parentage information originally presented in a Preliminary Amendment filed September 30, 2003. The enclosed parentage data is substantiated by the Pre-Examination Amendment (copy attached) filed during the prosecution of Patent No. 6,656,202, Serial No. 09/896,142, dated June 29, 2001. The Pre-Examination Amendment requests deletion of the priority claim to the continuation-in-part application Serial No. 09/616,190, filed on July 14, 2000. Additionally, a typographical error in claim 38 has been corrected.

Please amend the specification as requested. No new matter is presented. Early and favorable consideration is requested.

Respectfully submitted,

FULWIDER PATTON LEE & UTECHT, LLP
